

SURE FIT SERIES

CAMARO / FIREBIRD

Vintage Air Sure Fit Camaro/Firebird air conditioning, heating and defrost systems are designed specifically for each application. We match the coil and blower to give you the maximum amount of comfort in your vehicle, greater air flow than your OEM system provided, and still retain the factory look inside your vehicle. Factory controls are used. Sure Fit systems attach to existing holes in your dash and firewall in most cases.

Complete kit includes: Evaporator, condenser, drier, compressor, compressor bracket, hose kit and hi/lo safety switch.

Camaro/Firebird Sure Fit System Features:

- Mounts completely behind dash.
- A/C exits through dash vents.
- Heat exits at floor.
- Dehumidified defrost.
- Smooth firewall.

The All-In-One Kit For Your Classic Camaro!

EVAPORATOR KIT: Air conditioning, heating and defrost combination designed specifically for your vehicle. Original deluxe control assembly in your dash connects to and controls this unit. Designed to mount to existing holes in your dash and firewall without drilling* or fabrication. Evaporator kit comes complete with all mounting brackets, hardware, louvers, duct hose, wiring harness and installation instructions.

COMPLETE KIT: All above plus condenser and drier package. Attaches to existing radiator mounting holes. No drilling* or fabrication required. Comes complete with condenser, mounting brackets, standard drier, pre-formed aluminum lines and mounting hardware.

NOTE: Some installations may require additional engine pulleys not included with kits. See page 56 for options. You must provide v-belts and refrigerant.

INDUSTRY INVOLVEMENT

One of the greatest things about traveling to as many shows as we do each year is the opportunity to personally meet our customers. By displaying our products and discussing the experiences and ideas of our customers we can make our product better. And sometimes we actually get to go out and see some cars!
